CAUSE

The defendant appeared out of custody for his arraignment on June 13, 2012, and he was released on his personal recognizance with conditions for pretrial release, without the benefit of a pretrial services report. The Court did impose an alcohol to excess restriction, substance abuse screening/evaluation and treatment, and urinalysis testing, but did not impose a no drug condition. The defendant completed a screening process with this officer during his intake interview on June 14, 2012. This officer is now respectfully recommending the above condition be added.

Respectfully submitted,

by

James A. Moon
U.S. Probation Officer
Dated: June 22, 2012

THE COURT ORDERS:

- ☒ The above modification of conditions of release is ordered, to be effective on 7/17/12.
- ☐ The above modification of conditions of release is not ordered.
